Overview

SDB has been providing General Contracting and Facility Services since 1980 and Job Order Contracting (JOC) services since 2001. Our experience has afforded us the knowledge to assemble a streamlined system for executing JOC projects. As a result, we are uniquely positioned with the ability to perform multiple JOC programs simultaneously every year. We approach every job with the goal of minimizing business interruption. From multiple shifts to massive mobilization for 24-hour shutdowns, SDB has the expertise to perform customized solutions for facility services. SDB is an experienced and proven job order contractor serving local government entities including counties, cities, public transportation facilities, water districts, industrial facilities and education entities. With over 350 employees and 40 years of experience, we are one of the first contractors in Texas to embrace the JOC delivery method. We have a proven performance record as a local Texas contractor for many years.
