Overview

Indepth Utility Solutions offers products designed to cover a broad spectrum of underground utility locating needs. We are proud to represent Vivax-Metrotech in Texas for your utility line locator, in-line camera inspection equipment, and pipeline defect mapping needs. We also offer Sewerin's full line of water and gas leak detection instruments to the states of Texas, Oklahoma, Arkansas and Louisiana. We carry manhole and confined space inspection camera equipment from RinnoVision as well. All of our equipment is top of line and backed by training, support and our local service center.
