Overview

Double Line is a premier end-to-end services technology consulting firm providing full-stack education data platforms and solutions, leading the industry with over a decade of experience in planning, building, and implementing multiple successful statewide data systems. Double Line has extensive experience in data governance, application development, data warehousing, and custom dashboards, but are best known for creating non-proprietary, standards-based (CEDS & Ed-Fi) solutions driven by their clients' needs and desire to maintain full autonomous authority of their data.
