### Overview

*H.C. Nye Co. is a Manufacturer's Representative of Engineered, Applied, and Industrial HVAC Systems that started in 1977, making 2017, 40 years in business. Our product line coverage includes Central and Eastern Pennsylvania, Southern New Jersey and Delaware.*

*Our Sales Engineers work daily in the design and application of equipment for Packaged DX, humidification, dehumidification, custom air handlers, energy recovery, geothermal/tower heat pump, and laboratory projects. We offer design assistance to the consulting engineer and design build contractor community. With over 200 years of total HVAC Sales experience, our knowledgeable staff is second to none. We are ready to support your project from the concept design through the commissioning and owner training phase.*

*We have an outstanding product offering with first class high quality manufacturers. From Chillers using the latest technology in frictionless centrifugal compressor technology, to the best offering of Energy Recovery products available today in any marketplace.*
