Overview

CDW•G Government, LLC is the wholly owned subsidiary of CDW LLC. Our customer base is quite diverse, ranging from state and local government, federal, healthcare, K-12 and higher education. CDW•G offers a full range of products and services that enable you. to develop the best total solution to meet your specific needs while attaining the most value for your organization. CDW•G provides expert consulting, design, configuration, installation, and lifecycle management services. CDW•G offers 100,000+ products from more than 1,100 vendors including Acer, Adobe, Cisco, Dell, EMC, HP, IBM, Lenovo, Microsoft, NetApp, and VMware. Our Technology Services include: e-Procurement integration, Leasing services, Managed services, Pre-shipment configuration, Professional services, and, Warranty and maintenance. Many of our total solutions include: Cloud, Collaboration, Data center and networking, Managed Print Services, Point of Sale, Security, Software management, Total Mobility Management. In addition, TIPS. also benefits from the support of a vendor that annually ranks on the Fortune 500 list and moving up year after year, reaching #199 in 2017 and #189 in 2018. In 2018, CDW•G generated sales of over \$16 billion, which positions CDW•G as a leader in our industry. Continued financial stability of our company serves to assure TIPS. that we are here to stay and can support TIPS. through the life of this contract and beyond. We understand that our customers' environments are always evolving and infrastructure is constantly subject to updates, streamlining, or optimization. Achieving these changes can be highly resource intensive, but with our expertise across a wide range of technologies and sectors, implementation of your solution is economically viable. We perform professional services across the country, ranging from simple client system deployments to more robust Data Center and Network Infrastructure implementations. Our professional services team—over 1,000 professionals strong—deploys out of 24 U.S. locations to deliver the personal service that helps you understand and meet your business and technology needs. We have over 1,000 CDW•G-badged professionals located across the country and a large service provider network. We engage the appropriate solution architects, professional service engineers, and project managers to ensure projects are implemented successfully. Our engineers and project managers are trained on the latest technologies and many hold advanced certifications from our top manufacturers, ensuring that our team's current and relevant knowledge will directly benefit our customers' initiatives. TIPS can be confident that in partnering with CDW•G you are working with a company that recognizes the importance of responsible environmental management and conservation of resources.

participate in our annual Earth Day celebration, intended to educate coworkers on sustainability by providing them with information and products. We also implemented the beGreen program, which provides coworkers with a platform to reduce, reuse, and recycle in an effort to make CDW•G's operations leaner, more efficient, and more environmentally responsible. CDW•G strives to provide outstanding customer support and resolve issues quickly so you maintain a high level of productivity. While your account manager can generally handle most issues and concerns, our Technical Support, Customer Relations, and Site Support staffs are available to help. They can be reached via telephone, e-mail, and on-line chat to ensure responsive service and quick problem resolution. Toll-free availability – 800-383-4239 - 7am – 7pm Central; Monday – Friday; Customer Relations Email: CustomerRelations@web.CDW•G.com; Live chat and E-support options available and Remote Support capabilities via LogMeIn (U.S. only).
