Overview

BadgePass exists to break barriers in credential management. We design and develop ground-breaking technology solutions while also creating a home for talented and passionate individuals to build a career, learn, contribute, and grow. BadgePass solutions include ID badging, access control, visitor tracking, campus card systems, driver's license scanning and more! Our product offerings include cloud-hosted and on-premise solutions, giving customers the flexibility to choose a hardware and software package that best meets their facility's needs.
