Overview

KCAV provides audio-visual solutions for the education, government, and commercial markets. We will celebrate our 70th anniversary in 2023. We design, install, and support av systems that create engaging spaces for learning, working, and sharing. We partner with over 800 school districts, universities, and government agencies with their audio-visual equipment and integration needs, including installation of interactive panels, speaker systems, gymnasium and stadium upgrades, video displays, projectors and PA systems.

We represent hundreds of leading AV manufacturers, and offer integrated solutions for classrooms, board rooms, and other spaces of all sizes. A few of our manufacturer partners include Crestron, Extron, SMART, ClearTouch, Mimio, Da Lite, Samsung, Epson, Sharp/NEC, Mid Atlantic, Zoom, Teams, and many more.

We provide on-site service in Missouri, Kansas, Nebraska, Iowa, and Oklahoma, with offices located in Kansas City, Columbia, St. Louis, Omaha, and Wichita. KCAV is vested in our clients' success, and we serve as trusted partners to our clients.

Our sales consultants, certified design engineers, project managers, programmers, and installers are singularly focused on providing our clients with cost-effective, easy-to-use, and reliable audio-visual systems. Many of the staff at KCAV hold industry-recognized certifications: CTS, Extron, AV, Extron Programming, Extron XTP-D, Biamp Server Level, Kramer Control, Crestron Programming, Crestron DMC-E, QSC, QSYS, AMX Control, and SMART Certifications.

Whether it's a design-build project, hardware purchase, or multi-location installation, the KCAV team is committed to providing a superior client experience. Our focus on client success has enabled KCAV to celebrate over 70 years in business.
