Overview

PickUp Patrol calms the chaos of the school dismissal process. No more note and calls—parents submit plan changes with the convenient app. The online dashboard saves your office staff hours a day with automatic tracking and teacher notifications. Tracks buses, aftercare, activities, car line, absences, early dismissals and more. At the end of the day speed up the pick up line with the student dispatcher and keep the walkie talkie & PA noise at bay. Efficient, affordable, and secure.
