Overview

Vertosoft is a small business, focused on delivering innovative technologies and services to public sector organizations. Consistent with our dedication to public sector customers, Vertosoft has deep knowledge and experience supporting all phases of the acquisition life cycle. We specialize in providing services to emerging technology companies and the agencies they serve. Strategic sourcing is our forte, streamlining the time required to provide critical technology and services to public sector end users at reduced prices. We provide the flexibility, agility, and responsiveness of a small company with the experience of a large organization. Vertosoft's staff is widely respected and relied upon for its professional, ethical business approach and our success is based upon the leadership of a highly-experienced management team.
