Overview

Tangent is a leading provider of specialized computers and cloud solutions. Our purpose-built computers are engineered for education, healthcare, industrial, and corporate applications not served by traditional computers. Products include medical grade all-in-one computers, mini rugged computers, and all-in-one panel PCs.

Tangent's Microsoft Certified engineers provide Office 365 consultation, deployment, and migration services. Comprehensive online training and support packages ensure organizations make the most of their Microsoft productivity tools.
