### **Overview**

*Commercial Roofing Specialists is Michigan's exclusive Manufacturer's Representative for Carlisle SynTec Systems, a leader of the commercial single-ply roofing industry for more than 50 years. Carlisle continues to lead the roofing industry today by providing its customers with superior roofing systems and services through a strategic partnership with CRS, distributors, and applicators. Carlisle's products have been installed on a wide range of buildings around the world, including schools, hospitals, warehouses, and cold storage facilities. With more than 19 billion square feet of roofing materials sold, Carlisle continues to lead the industry by providing its valued customers with the best products, services, and warranty options available today.*

*As a Manufacturer's Representative, CRS specializes in designing, developing, and implementing the best solutions for building envelope weatherproofing. We also provide technical assistance and specifications options for architects, roofing contractors, and building owners. Through our partnerships with world class distribution networks, industry professionals, and other key relationships, CRS is committed to designing, delivering, and protecting your assets.*

*Currently, Commercial Roofing Specialists has five industry professionals strategically located throughout the state of Michigan to service all your commercial weatherproofing needs quickly, efficiently, and effectively.*
