### **Overview**

*Varsity Tutors for Schools (VTS) Makes High-Dosage Tutoring Simple*

*Varsity Tutors for Schools (VTS) delivers 1-on-1 and small-group tutoring through its proprietary, purpose-built Live Learning Platform, the nation's most widely used tool for 2-way, live video-based online instruction. No other company can reliably deliver high-quality 2-way, live video-based virtual tutoring from subject-matter expert tutors at the scale or quality that the Varsity Tutors platform and systems allow. All tutoring, both scheduled and on-demand, is available before, during, and after school hours, including evenings and weekends.*

*Students will benefit from the personalized live online learning, high-dosage tutoring, and instructional support that VTS facilitates at nationwide scale:*

- 40,000+ vetted tutors actively engaged on the Varsity Tutors platform
- Over 500 K-12 school and district customers
- Concrete, measurable results in real time
- Data-driven approach to tutor-student placement, personalized lesson planning, and progress tracking
- Alignment with any desired learning standards.

*High-dosage tutoring shows clear, positive results. Research from the Annenberg Institute at Brown University, the J-PAL at MIT, and the CRRE at Johns Hopkins University identify 4 common criteria of effective high-dosage tutoring programs that school districts should follow to improve learning outcomes; VTS tutoring solutions meet these criteria.*

*Comprehensive College Preparation | SAT, ACT, and AP Prep plus College Admissions Guidance*

*VTS offers test-prep tutoring for the TSAI2, SAT, and ACT as well as comprehensive preparation tools for all high-stakes tests:*

- Expert-led SAT, ACT, and PSAT live classes with schedules ranging from weekly meetings to intensive boot camps

- Adaptive assessments, guided self-study, and proctored practice test sessions for the SAT and ACT
- Guided study halls and review classes for Advanced Placement exams
- Admissions strategy events with former admissions officers, plus a video library and guided activities for everything from school research through essays and letters of recommendation.

In addition, the Varsity Tutors platform provides a comprehensive set of resources to help students develop the academic skills and confidence they need to succeed. If your district engages VTS for high-impact tutoring for some students, we'll make our Varsity Tutors platform available to every student in your district.
