Overview

With more than 15,000 clients, Tyler Technologies is the largest provider of software and services for the public sector. Tyler provides end-to-end software and services to help state and local government and schools be more effective, efficient and responsive to the people they serve. Because of our singular mission and decades of industry experience, we have a unique understanding of and expertise in all aspects of the public sector and interact with more than 11,000 jurisdictions and agencies. Tyler solutions empower local and county governments, schools and other public sector entities to better serve citizens. We provide the industry's broadest line of software products, and offer clients a single source for all their information and technology needs in several major areas: Financial and Human Resources, K-12 School solutions, Courts & Justice, Appraisal and Tax, Record & Document Management, Citizen Services, Planning, Permitting & Licensing and Public Safety.
