### Overview

*BloomBoard, Inc. ("BBI") is a nationally recognized vendor offering a micro-credential platform and training services designed to meet the needs of schools, districts, service cooperatives and similar educational agencies, and state departments of education across the country. BBI's web-based software-as-a-service platform (the "BBI Platform") provides customized micro-credentials programs with tools to facilitate the review of micro-credential submissions and the issuance of digital badges. BBI supports participants engaging in our micro-credential programs by offering concurrent training and facilitation services. One BBI micro-credential is equivalent to one university credit in time commitment (e.g. one Carnegie Unit), and a BBI micro-endorsement typically consists of 3-6 micro-credentials. By completing a micro-endorsement, participants prove through a portfolio of evidence that they have demonstrated the competencies required for that pedagogical or content-specific area.*
