Overview

Huckestein Mechanical is a PA-COSTARS pre-qualified mechanical and engineering contractor serving Western Pennsylvania, eastern Ohio and Northern West Virginia. Recently acquired by Service Logic, one of the largest privately held HVAC and mechanical service providers in the United States, we provide service, engineering and design-build solutions to a wide array of customers. Throughout our 70+ year history, we have demonstrated continual excellence and been an industry leader in the HVAC service, energy and design build markets. Our longevity is demonstrated through our current and past project performance, the skills and experience of our resources, and the reputable dealings of our company.
