### Overview

*Rug-Ed is more than a product company; we're a community sparking moments of wonder and discovery. Since 2012, Rug-Ed has been creating award-winning mobile and tablet cases and accessories that help extend the life and usability of devices in the classroom, at home, and on the go.*

*Our foundation is rooted in K-12 education. As an industry leader in some of the largest iPad deployments among school districts, we offer integrated solutions for K-12 district leaders and organizations. With our all-inclusive plan, K-12 schools and enterprises benefit from a 2-in-1 solution with an iPad case and a zero-deductible repair.*

*We've since grown into a community of educators, learners, creators, and innovators. Whether you're working, playing, or exploring, our products are thoughtfully designed to empower you to find your voice, create with expression, and unravel the possibilities of discovery.*
