Overview

With over 75 years of combined Audio, Visual, lighting, and Broadcast experience, Bock Technologies provides a unique design, integration, and installation process to help our clients communicate their message in the most effective way. From our sales team, Emmy award winning engineering team, and design team to our integration and installation team we seek to provide the best possible systems available to meet our clients' needs and budgets. With a wide range of clients such as houses of worship and large organizations in the Dallas area. Bock Technologies understands the unique needs of each one of our clients and caters to each with the highest level of integrity. Long term relationships and unmatched service in the industry make Bock Technologies the perfect choice for your next project. No matter the size of the project Bock Technologies has a tailor-made solution to fit your Audio, Video, Lighting, Broadcast, and Acoustical needs.
