Overview

Founded in 1996, PC University is a full-service technology solutions provider. We deliver today's best technology solutions and educational programs, as well as competitive pricing from more than 500 leading manufacturers giving you or your school / company the technology tools you need to succeed. We can help you access the right technology for your needs - quickly, easily and affordably! Our wide-ranging product line includes computer hardware, software, interactive display panels, printers, 3D printer solutions, projectors, document cameras, video, sound, software licensing, A/V equipment, scanners, supplies, laptops, workstations and servers. With a combined 60+ years of experience selling to the educational and government markets, at PC University we are confident that we can be of assistance in finding solutions to fit your needs and your budget.
