Overview

Reynolds Construction is an accomplished general contractor with extensive, progressive experience. We can truly provide excellent general contracting and commercial construction services for your project from the ground up. We are widely known for integrity and high quality results, allowing us to repeatedly win business and develop a loyal customer base for providing excellent work. We specialize in commercial single ply roofing, painting, flooring, and interior remodel work.

Known for our verifiable reputation for consistently completing all projects on time and within budget, we personally manage and coordinate all necessary manpower, materials, and equipment, and provide daily supervision of progress. Our unparalleled record of managing projects safely has earned numerous awards for maintaining safety and consistently keeping workers' compensation cost exceptionally low.

We have straightforward and experienced onsite supervisors who oversee crews of productive and loyal workers allowing us to maintain low turnover by expecting "an honest day's work for an honest day's pay" and treating people fairly. We are experts in using time and cost-saving methods utilizing the latest equipment allowing us to be resourceful in developing construction methods that are efficient and cost-effective.
