### Overview

101VOICE provides end-to-end cloud communication and secure connectivity solutions that keep your organization connected at all times. Our platform offers traditional features as well as unique and special-purpose tools for enhanced value. Our service is rich in features and scalability, and offers dramatic cost savings. We focus on public safety and security and offer in-building cell phone boosters with Cel-Fi to support essential communications. Our parent company, IT Management Corp., established in 2009, is an IT solution provider that focuses on sustainability, network conversion, and business alignment. Our extensive experience, strong IT knowledge, transparent processes, and human resources differentiate us in the marketplace. As a leading Unified Communications as a Service (UCaaS) provider, we have extensive experience serving the Government, Education, and Healthcare sectors. We support the entire lifecycle of network transformation and outsourcing, helping clients increase the predictability, reliability, and quality of network-based services.
