### Overview

*United Laboratories carries a full line of chemical products that work for everything from basic housekeeping needs, to disinfecting, drain maintenance, wastewater and industrial water treatment solutions. Our products help companies work better, faster and smarter. We help equipment last longer. And, through the concepts of Earth Smart and Responsible Innovations, we strive to continue to provide performance driven chemistry that is safer for the environment than most traditional maintenance approaches. We also offer a line of equipment and accessories.*
