Overview

The shift to a digital classroom starts with OKIOCAM. OKIOCAM is a compact 2-in-1 document camera & webcam. We are experienced in supplying U.S. Schools, Educators, and Students with the best tool to teach & learn with technology. We are regular participators in ISTE.

Learn anywhere, teach anywhere! With OKIOCAM's extremely portable design, enjoy the flexibility wherever you are, in the classroom, or at home.

At OKIOLABS, we created a USB camera that stands apart from the machine-like utilitarian look of most of the USB cameras that are currently in the market, something that is totally unique and unequaled amongst its peers. Find out more at www.okiolabs.com.
