Overview

With Gray products, you take part in a long history of product engineering for the transportation service industry. Company founder J.H. Gray applied for his first automotive jack patent in 1921, and since 1952 Gray has been producing the highest quality hydraulic and pneumatic equipment available for the professional service technician. Our purpose is to provide you with quality equipment that makes your job easier and with exemplary service after the sale.

For over 70 years, Gray has proven to be a leader in the industry with an unmatched reputation of quality and reliability. Gray offers a full line of American made auto, truck, and forklift vehicle lifting equipment. Our line includes floor jacks, transmission jacks, 2 & 4 post lifts, wireless portable lifting system (mobile column lift), clutch jacks, fluid handlers for oil and anti-freeze, shop presses, shop cranes, engine stands, vehicle support stands, oil filter crushers, and our most popular seller, our truck service lift.
