Overview

Osment Roofing Systems, Inc. is a commercial and industrial roofing company with 39 years of experience. To date we have installed millions of square feet of sprayed polyurethane, urethane, silicone, acrylic, and single-ply roofing membranes. We also provide extensive roofing related sheet metal services. ORS Specializes in roof replacement both retrofit and re-roofing, and provides services associated with installing a roof. ORS offers a full range of services. From preliminary planning through the complete installation. Preplanning services include roof investigation, cost analysis, maintenance costs and/or replacement costs, moisture detection, roof plans and details, energy audits, and optimum roofing options and solutions.
