Overview

Kognity is a digital-first solution for teaching high school science. Aligned with Next Generation Science Standards, Kognity's 3-course integrated science model in 3 disciplines; Biology, Chemistry and Physics, promotes student agency with entry points for every learner. By combining the best of pedagogy and technology, Kognity provides educators with an effective approach to teaching science in the high school classroom. Kognity's easy-to-use, digital-first platform provides 3-dimensional learning with a balance of digital and non-digital opportunities to collaborate and explore. Interactive materials centered around local and global anchoring phenomena, help students connect to the world around them.
