Overview

Established in 1983, Segis is a world leader in designing and manufacturing innovative, high quality furniture for educational, contract, and institutional markets. Technologically advanced production facilities of over 163,000 square feet in Italy and 80,000 square feet in Vietnam funnel product to the 40,000 square foot Tennessee facility for assembly, upholstery, and distribution to the US market. All are equipped with the latest robotic technologies of bending, welding, and epoxy powder coating. We are able to respond to requests for individual orders and large scale projects where quality is recognized.
