### Overview

*Frog Street Press, LLC. is owned by Excelligence Learning Corporation, a leading provider of educational tools and solutions to early childhood and elementary school teachers and parents. Frog Street has been in business for over 27 years. In 2010, Frog Street introduced the Frog Street Pre-K curriculum to the market during the Texas Pre-Kindergarten adoption and was able to garner a 47% market share of the Texas public school's Pre-K classrooms during the adoption. Using this as a springboard to expand nationally, Frog Street has developed a national sales team and has significantly expanded professional development services and offerings. As a result, Frog Street's sales of early childhood education curriculum for children in the 0 to 5 age group increased by 128% in 2014, 56% in 2015, and 34% in 2016. Since 2014, the Company has invested in and developed a new curriculum for Toddlers (ages 18-36 months), a program for Infants (birth-18 months), and a three-year old program. Frog Street is located in Southlake, Texas and has a national sales team.*

*Our Professional Learning team has experience with school districts and organizations across Texas and the United States, and will work together to provide world-class Professional Learning to the educators.*
