Overview

The Renaissance Institute are trusted, vendor-neutral advisors in educational technology with decades of experience in K-12 schools providing cost-effective and productive integration of technology. We are experienced practioners bringing decades of successful experience in education and technology to you on an as-needed basis to optimize K-12 networks, systems, security, integration, funding, and evaluation. We work from the Renaissance Model, a framework developed for over 30 years in actual K-12 settings, which optimizes best practices in technology management and integration. We provide Comprehensive Technology Assessment & Planning services, executive training, coaching and mentorship, digital reviews of upcoming purchases and initiatives, as well as ongoing program support. We are a veteran-owned business.
