Overview

White River Services and Solutions is a total technology solution provider. We are a trusted adviser and engineering partner to our clients, and offer the best hardware and software manufacturers in the world a local presence on which they can rely. Our team can simply provide you with the hardware and software you need to maintain your IT goals or engineer a complete solution including pre-project engineering, IaaS, PaaS, colocation, managed IT services, leasing, installation, asset recovery and disposal and E-RATE fulfillment. WRS knows the needs of today's IT department. We want to serve you.
