Overview

McLemore Building Maintenance, Inc provides janitorial and related facility services including exterior building cleaning services, event support and landscaping, janitorial/custodial and pest control, with its portfolio including LEED buildings. 49 plus years of experience has given us an in-depth understanding of client requirements across a multitude of facility environments, with a specific focus on educational institutions. Our consistent best practices include utilization of the Healthy High Performance Cleaning program by Diversey, evaluated by GREENGUARD Environmental institute using their stringent Children & Schools Certification criteria to measure the effect of cleaning on indoor air quality. This is the only cleaning system certified for Indoor Air Quality. All of our programs are designed to ensure your building is the safest, healthiest and cleanest they have ever been.
