Overview

323link provides the next generation of AV systems based on the core and think OneTouch Systems that range from a small presentation system to a full courtroom, classroom, video conferencing, streaming, and brainstorming rooms using the power of AI. OneTouch reduces cost by 30-40% compared to traditional AV Systems and is more reliable and compatible with all software and hardware in the market. 323link offers both custom AV systems and turnkey systems. Our goal is to turn the meeting environment into an experience.
