Overview

Since 1986, Pritchard Industries, Inc. has been a full-service provider of cost-effective, precision building services and facility maintenance. Not only are we the nation's leading building services contractor, we are the largest privately-held facility maintenance company with the day-to-day involvement of the CEO and senior management. Our approach to the \$800M in contracts we currently serve is process-based and results oriented. We maintain the highest degree of accountability with a combination approach of consultative planning and technology-integrated training and reporting. Our goal is to deliver optimum results to our clients' operations.
