Overview

Lonestar Armature is a unique sales and service company focusing on electric motor and pump sales, service and repair.

We also specialize in Controls, Drives, Gearboxes and Power Transmission parts. Our business is structured to provide quality products and services to the Industrial, Oil and Gas, Food and Beverage, and Processing Industries. We are committed to:

Providing customers with quality repairs & service through the employment of well-trained quality people, high performance standards, and adherence to safe work practices.

Always practicing honesty and fairness with customers, vendors, and employees.

Providing a good working environment for employees; safe, healthy and clean.

Financial soundness and profitability.
