Overview

TECSolutions, Inc. is a woman owned business established in 2007 that operates in eight states: Texas, Oklahoma, New Mexico, Colorado, Utah, Idaho, Montana and Wyoming. We specialize in engineering teaching apparatus and applies research systems for major colleges and universities. TecQuipment designs and manufactures technical teaching equipment for a variety of disciplines within mechanical, civil, electrical and structural engineering courses. A continual product improvement process is implemented and worldwide curricula is regularly reviewed to ensure the teaching equipment stays ahead of the competition and meets educational needs. Quality control procedures at each stage of design and production ensure products always meet the very highest standards to withstand long term, heavy laboratory and classroom use.
