Overview

Smarter, safer spaces are made easy with Rhombus. Rhombus delivers enterprise-grade security cameras, intelligent sensors and powerful analytics, all managed seamlessly from a unified cloud-based platform. Smart Security Cameras feature enterprise-grade encryption. Video is securely stored locally inside each camera. No Video Management Software or Digital Video Recorders are required. Control who receives instant alerts or live or recorded video clips. 24/7 5-Diamond UL-certified alert monitoring available. Connected Sensors provide additional environmental and facility data points and help improve overall safety and operational efficiency. Seamless, open integrations with industry-leading solutions for access control systems, visitor management systems, and more, allow for optimal configuration and the lowest Cost of Ownership. Rhombus is Rated #1 by actual customers for Physical Security by G2. Rhombus represents the new standard in Physical Security.
