Overview

Federal Eastern International (FEI) was founded in January 2010. Our mission is to provide law enforcement, and other first responders, with advanced protective solutions and equipment. We are a trusted partner and reliable resource.

At the heart of our organization is the service we provide. We ensure that each and every agency and individual we serve receives the attention, respect and equipment they need to perform their mission. We do not see ourselves as a distributor, but as a partner to the agencies and individuals that trust us with their business.

To accomplish this, FEI has a large team committed to the safety of our protectors and their mission. Our sales and contracting teams are subject matter experts with more than 100 years of combined experience. We form partnerships with our industry leading Elite Manufacturers Group to enable FEI to provide solutions, equipment, training, pricing, and customer support in the service to our customers.
