Overview

Jasper Chair Company, Inc.

The old way never gets old.

In 1921, we decided to make chairs in an uncompromising manner.

That spirit is alive and well today.

We see every chair from start to finish – beginning with raw lumber, graded, stacked, and dried to absolute perfection.

Then, we build, by hand, for restaurants, pubs, schools, libraries, resorts and senior living communities; the places we work hard, have fun, and call home.

At Jasper Chair, we bend the rules, preserve lost arts, and pursue a level of quality that's hard to come by – always for our customers, always with American pride.

Our history is defined by making chairs people love – and at Jasper Chair, history repeats itself every day.
