Overview

Audio Enhancement provides customizable solutions to support learning inside and outside the classroom. These solutions include classroom audio, cameras, safety alerts, and schoolwide communication. Classroom audio provides a teacher microphone, distributing the teacher's voice to all students. The microphone includes alert buttons for emergencies, quickly notifying office staff of urgent situations. Classroom cameras provide teachers a way to record or livestream lessons for remote and blended learning models. Product lines; Classroom Audio Solutions, EPIC System, SAFE System, VIEWpath Solution.
