Overview

Meteor Education is the leading provider for the design, delivery, and implementation of modern learning environments for K-12 schools, operating at the intersection of learning environments and learning experiences. Meteor Education focuses on providing complete services and solutions in guiding K-12 schools in designing, procuring, and fully implementing ProSocial Learning Environments™, appropriately suited to their budgets and desired learning outcomes. Meteor primarily serves school districts and private schools seeking to modernize their learning environments, methods, and tools to significantly accelerate student engagement.
