Overview

The flagship brand of GMI companies, Ghent visual communication products help people communicate, collaborate and learn. Ghent's products include glassboards, whiteboards, tack boards, easels, enclosed message centers and signage. VividBoard's graphically enhanced custom whiteboards present a professional, relevant, and visually appealing approach to dry-erase signage. Using a sublimation process with a patented coating, VividBoard embeds a customer's graphic directly into the dry-erase surface of the board, producing a brilliant, long-lasting image. For more than a century craftsmen have been carefully constructing Waddell display cases and specialty furniture. Our craftsmen combine today's technology and designs with yesterday's personal commitment to constructing the finest U.S.A. made display cases available for prized trophies and symbols of success.
